

EarthOrigins

Price: \$19.95 CAD

Short Description

EarthOrigins provides your dog or cat with extra dietary essentials in a completely natural, concentrated whole-food supplement. [Click on the image for more details](#)

Description

Supplementation should never make up for a poor diet. Still, a wholesome diet does not necessarily mean that your dog or cat gets the optimal amounts of nutrients needed. The nutrients in Earthorigins conveniently enhance the healthy diet you feed your pet. EarthOrigins daily supplement contains a spectrum of naturally occurring nutrients; vitamins, macro and micro minerals, and phytonutrients from spirulina, sea vegetables and montmorillonite minerals.

The nutrients in Earthorigins conveniently enhance the healthy diet you feed your pet. EarthOrigins daily supplement contains a spectrum of naturally occurring nutrients; vitamins, macro and micro minerals, and phytonutrients from spirulina, sea vegetables and montmorillonite minerals.
