Price: \$23.95 CAD

Short Description

EarthGreens contains a comprehensive, nutrient-dense blend of concentrated fruits, vegetables, plant nutrients, prebiotics, probiotics and standardized herbal extracts.

Purchase individually - 125g zip-sealed jar (cases have 12 jars).

Description

EarthGreens is especially recommended for pets that require more specialized supplementation due to cancer or immune-related disease processes.

Preventative supplementation with EarthGreens can also benefit healthy pets and optimize their well-being. EarthGreens contains a comprehensive, nutrient-dense blend of concentrated fruits, vegetables, plant nutrients, prebiotics, probiotics and standardized herbal extracts.

EarthGreens provides Antioxidant protection from carotenoids, proanthocyanidins (OPCs) and various phytochemicals - Cellular activation through vitamins, macro and micro minerals in their most bioavailable form - Immune support through standardized herbal extracts, live enzymes and cellular antioxidants - Probiotic and prebiotic enhancement replaces and generates healthy bacteria, using a complete blend of acidophilus, bifidus and synergistic co-factors.
